ABA Architects Hosts Bimonthly BIM User Clinic

TUCSON, November 3, 2009—ABA Architects hosts at its Tucson offices a free bimonthly user clinic for ArchiCAD users as well as those who are interested in learning more about the latest Building Information Modeling (BIM) technologies. The 5:30 pm meetings are **typically held the fourth Thursday every other month**, but, because of the Thanksgiving Day holiday, **the clinic this month will be held on November 19**. Come join us for lively BIM discussion at 1001 N. Alvernon Way, Tucson.

ABA Architects is an architectural, planning and interiors services firm with more than 30 years of experience. ABA is leading Arizona in Big BIM (Building Information Modeling). ABA's project list includes sustainable projects requiring LEED certification, new and renovated public building such as schools, churches, recreation centers and offices, and workplace design. The firm can be reached at (520) 881-4512 or by email: SLinson@aba-architects.com. Visit online at www.aba-architects.com.
