FOR IMMEDIATE RELEASE

ABA Architects' Preston Godfrey Earns LEED Accreditation

TUCSON, July 2009—ABA Architects is pleased to announce that registered architect Preston Godfrey, AIA, LEED AP, was recently recognized as a LEED (Leadership in Energy and Environmental Design) Accredited Professional. Godfrey increases ABA's LEED-Accredited-Professional staff to a total of four.

LEED Accredited Professionals have demonstrated a thorough understanding of green building practices and principles and the LEED Rating System. Developed by the U.S. Green Building Council, the LEED rating system provides building owners, designers and consultants standards for applying and maintaining greener technologies and practices during the design and construction process. ABA Architects is currently designing three projects for LEED certification, including one on the Ft. Huachuca Army Post.

ABA Architects is an architectural and interiors services firm with more than 30 years of experience. ABA is leading Arizona in Big BIM (Building Information Modeling). ABA's project list includes sustainable projects requiring LEED certification, public building such as schools, churches and offices, and workplace design. The firm can be reached at (520) 881-4512 or by email: SLinson@aba-architects.com. Visit online at www.aba-architects.com.
